---

Someone hands thirty blank cheques to us. We are only required to fill in the amount on each cheque and this will qualify us to receive that entire amount in cash. Will any of us show any in difference and return the thirty cheques blank without filling in an amount? We are given thirty “blank cheques” (days) of the blessed month of Ramadaan where the fasting persons Duaas are accepted. Why do we then send these thirty days back to Allah Ta’ala all blank, without making any Duaa? Allah Ta’ala, the Giver is there to give us, but we the takers are not there to take. Let us increase our duaas in the month of Ramadaan, especially at the time of sehri (early morning) and iftaar (when we break fast).
