

Rasulullah (sallallahu 'alaihi wasallam) said: "Verily Allah Ta'ala is kind, He loves kindness and He grants upon kindness that which He does not grant upon harshness." (Sunan Abi Dawood #4807)

When a parent likes things in a certain way, then it is only natural that the parent will love that child who adopts that way more. Now, when Allah Ta'ala is kind and He loves kindness, imagine what we will enjoy from the treasure of Allah Ta'ala if we also adopt kindness. Kindness is that special means by which we will enjoy the favours of Allah Ta'ala.
