

Every one of us has our own challenges and obstacles which we face in our effort to reach Allah Ta'ala. One of the most effective ways to gain inspiration to overcome these challenges is to consider other people who are just like us and faced the same challenges, yet overcame the seemingly insurmountable odds and achieved their goal. This book contains fourteen stories of women who overcame their challenges to accept Islam itself, or to reform their lives, gaining the Divine happiness and proximity of Allah Ta'ala.
